TO:

STUDENT'S JOINING INSTRUCTIONS FOR DIPLOMA COURSE IN ANIMAL HEALTH AND PRODUCTION FOR ACADEMIC YEAR 2025/2026 SEPTEMBER INTAKE

We are glad to inform you that, you have been selected from many deserving applicants to join the College of Agriculture and Natural Resources (CANRE) which is one of the Colleges of the Institute for Environment and Development Studies (IEDS) in the 2025/2026 academic year to pursue a one-year course leading to award of **Diploma in Animal Health and Production** (DAP). Congratulations!

The College of Agriculture and Natural Resources (CANRE) was fully registered by the National Council of Technical Education (NACTE) in June 2012 with registration number **REG/ANE/024** with **Full Accreditation** Status to provide technical training in the field of agriculture, natural resources and environment.

GENERAL INSTRUCTIONS:

1. You are required to observe all entry requirements as stipulated in the document titled **"Students Information Leading to Award of Ordinary Diploma in Animal Health and Production"** which you need to read and understand before applying for the course.
2. The College of Agricultural and Natural Resources (CANRE) is expected to OPEN on 1st SEPTEMBER 2025. Students will be received between 8.00 a.m. and 6.00p.m. The first week is for orientation activities. All 1st year students are required to participate in the orientation week programme. More information will be given on arrival. The registration deadline for first year students will be TWO WEEKS from the first date of Orientation Week.
3. An academic year has two semesters, each last for 15 weeks. A semester may briefly extend for a few days to compensate for non-training events such as public holidays, end of the year examinations, marking and compilation. Short vacations shall occur between semesters and a long annual recess at the end of the academic year.

TUITION FEES AND OTHER FINANCIAL REQUIREMENTS:

There are two types of fees payable at the College of Agriculture and Natural Resources such as (a) Direct College Costs and (b) student's direct costs) as follows:
